

Every year, TML recognizes municipal elected officials participating in the Texas Municipal League Institute (TMLI) program who earned the appropriate number of continuing education units in the previous calendar year.

Mayor Pro Tem Tony Bradley received the Certified Municipal Official designation by earning 72 continuing education units! He was recognized at the TML Elected Officials' Conference in San Antonio on February 8 for this achievement.

Mayor Pro Tem Bradley's commitment to becoming a knowledgeable leader makes him uniquely able to serve the Glenn Heights community as a member of our City Council.

Congratulations Mayor Pro Tem Bradley on your accomplishment!
