WELCOMING OUR NEW CHIEF

Dr. Glynell Horn Jr., a Houston native, is a seasoned law enforcement professional with 20 years of experience, currently serving as Acting Chief of Police for the Regional Transportation District Police Department and previously as Assistant Chief in Stafford, Texas. Known for his strategic leadership and community-focused vision, he prioritizes crime prevention, organizational excellence, and citizen engagement. Glynell's innovative, restorative approach has led to crime reduction, above-average clearance rates, and successful policy implementation. Passionate about mentorship and cultivating strong organizational culture, he champions transparency, employee development, and partnerships with the community to build lasting trust and empower future leaders.

PUBLIC WORKS

Our dedicated Public Works Department continues to work tirelessly throughout the city to make sure our infrastructure remains safe and reliable. They have been working on concrete repairs, road reconstruction, water main installations, repairs, and service line replacements, and much more.
