

# WATER CONSERVATION 101: **KNOW YOUR WATERING SCHEDULE**

It's summer in Texas. We all have to do our part to conserve water usage. Help out by following the guidelines shared below.

Irrigation is only permitted between  
6:00 p.m. - 10:00 a.m.  
April 1 - October 31

## **MONDAY**

No watering allowed

## **TUES, FRI**

**Odd Addresses**  
are permitted to water

Residential addresses  
ending in 1, 3, 5, 7, 9

## **WED, SAT**

**Even Addresses**  
are permitted to water

Residential addresses  
ending in 0, 2, 4, 6, 8

## **THURS, SUN**

**Non-residential sites**  
Businesses, parks, & common areas  
are permitted to water

## **ADDITIONAL INFO**

- You **ARE** permitted to water your grass by hand with the use of a soaker hose.
- No watering hard surfaces.
- No watering during precipitation.
- No water waste through runoff, or through missing, misaligned or broken sprinkler heads.

**Irrigation IS NOT permitted between**  
**10 a.m. - 6:00 p.m.**
